Dear Sirs,

It is with the greatest regret that we received the news of the death of Mr. Nathan Philip and we wish to express our deepest sympathy in your bereavement. He was an outstanding figure in the International Fur Trade and his death will be mourned not only by his firm, his relatives and his personal friends but also by our whole Trade.

At the same time we would like to tender our best wishes to Mr. Eskild Hartwig for the task lying before him.

We remain, dear Sirs,

Yours very sincerely,
