Dear Sirs,

We are very sorry to hear of the decease of Mr. Nathan Philip, whom we have known and have done business for so long. We would like to convey our deepest sympathy and condolences to Mrs. Philip and all other members of the firm.

By this opportunity we would like to stress that our confidence and high opinion of your firm will be as always, and we hope and trust that we can continue the very pleasant business connection with your firm in future.

We remain,

Yours sincerely
