Gentlemen:

We were sorry to learn of the untimely death of your Mr. Nathan Philip. Although the writer was not very well acquainted with the deceased, his recollections of our several meetings together are pleasant and satisfying.

To the family of Mr. Philip we extend our heartfelt sympathy. To Mr. Hartwig and to other members of the firm we offer our condolences, and assure you of our cooperation in any future business transactions between our respective organizations.

Very truly yours,

THE CARACUL FUR CO. INC
